Rules & Educational importance

Find the one! - the rules

Playing time: 5 minutes
Number of players: 2 to 4

In this set, you will find 31 square cards (it is easier to cut). All of them are different and there is always one matching symbol between 2 cards. Yes, try it and you will see for yourself !!

How to play ?

There are different games that you can play but here is the one I like best: you shuffle and deal all the cards (face-down) and put the last one in the middle (face-up). When one player spots a matching symbol, he calls it (perfect to work on pronunciation!) and puts his card on top of the pile.
The winner is the first player who

Expand your students' vocabulary !

This game is a great opportunity to work on :

- how to expand your students' vocabulary
- how to improve their pronunciation.

First, make sure your students know all the words before playing. I provided 3 worksheets:
