Note to the teacher

Note to the teacher

Print, laminate and cut all the pages. Your students have to make sentences using each label. I included a picture for each sentence that could help them.

There is a color code for the first two levels:

- green: subject
- red: verb
- blue: complement
- orange: clauses / adverbs etc.

For the expert level, the sentences are longer and there is no color code.

I suggest you use the title pages to create a folder in which you will keep all your labels.
